Period : 20th century

Condition : Parfait état

Material : Porcelain

Diameter : 23 à 35 cm

Description

This service is complete, typically Art Deco, with its simple three-color geometric design, composed of alternating red and blue stripes linked together by a red circle.

All these pieces, offered as wedding gifts, are in perfect condition, close to new (except for the three defects mentioned) and have obviously never been used since 1925, the probable date of their manufacture in Limoges.

Manufactured by Frederic Legrand, each piece is signed below "F. Legrand & cie Limoges France" with the star mark surrounded by two half-moons where the words Limoges and France are inscribed.

36 dinner plates, 23.5 cm in diameter, one with a small chip and another with a chip (photos available)
