Description

This oil on canvas is from the 20th century, it was created by Claude Suire, painter born in 1924. Although he rarely painted the Île de Ré where he lives or La Rochelle, his birthplace, preferring the countries of North Africa with its haunting ochres, he remains irradiated by the Charente light in each of his works. The work has a nice technique. The work is sold unprepared, unrestored, we point out small traces of wear due to time, small dents. Note classic friction on the limed frame. However, it remains in acceptable condition for someone who likes natural works. Our numerous photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Do not hesitate to zoom in. The photos are an integral part of the description. Dimensions: - Frame Height: 59 cm Width: 51.5
