Description

The 19th century terracotta seated Venus is a remarkable and delicately crafted piece of art. This terracotta sculpture, signed by Falconet, is a demonstration of the artistic mastery of the period. With an antiquity dating back to the 19th century, this piece has a unique charm and history. The figure depicts Diana seated, capturing the essence of the goddess in a serene and majestic pose. The attention to detail is evident in every inch of the sculpture. Facial features, clothing and folds of fabric are sculpted with astonishing precision, displaying the artist's skill in creating a realistic and appealing depiction. The state of preservation of the sculpture is remarkable, suggesting that it has been cared for and appreciated over time. Terracotta, a ceramic material fired at low

temperatures, has stood the test of time, preserving its integrity and beauty. Its dimensions, 50x33x20 cm, give it an impressive presence. This seated Venus would stand out as a centerpiece in any environment, whether in a living room, office or art gallery. In summary, this 19th century terracotta sculpture is much more than just a work of art; it is a window to the past, an expression of artistic skill and an impressive addition to any collection or decorative space. Falconet's signature adds a touch of authenticity and historical value to this extraordinary piece.
