### Description

Rare wall console in carved and gilded wood from the 18th century. It is composed of 3 winged cherubs in carved wood joined together by a lamp base support in the lower part and by a band carved with palmettes in the upper part. A wooden top gilded with ochre receives a more recent Sarrancolin marble top. Rich sculpture in the round of cherubs. Old leaf gilding with a beautiful patina. Restorations and customary transformations. This is a living room console to hang on the wall 15 or 20 cm from the ground so that it is well highlighted. Italy, 18th century. Delivery in wooden crate on pallet by carrier, 200 euros in France, 500 euros in the EU and 1000 euros rest of the world.
