Description

We have the privilege of presenting to you a wall cartel of exceptional importance. This monumental two-patina bronze piece, measuring 84 cm in height, is a sculptural work of art that depicts the god of time, Chronos, alongside a cherub seated on his scythe.This wall cartel transcends the simple watchmaking function to become a true work of art. The presence of Chronos, the god of Greek mythology associated with time, gives a mythical and symbolic dimension to this creation. His representation is of great finesse, from the detail of the scythe he holds to his facial expression, capturing the complexity of the entity of time.The cherub sitting next to him adds a touch of innocence and sweetness to the whole, creating a captivating contrast between the divine and the celestial.
