

Malachite & Gold Necklace

15 800 EUR

Period : 19th century

Condition : Parfait état

Material : Gold

Description

Unique. Superb necklace. It consists of vine leaves and grapes hinged together. They support a cameo Malachite crimped claws, representing "Bacchus" grimacing. The clasp is rectangular ratchet matt gold.

Metal: 22K Yellow gold mat. Era: The cameo is XIXth, the collar is later created by our workshop.

Dimensions: Length: 45 cm, mesh: 1.5cm.

Cameo: Length: 3.2 cm, width: 3 cm, weight: 72.8 g.

Our opinion: this gem was designed and built in the spirit of Empire jewelry made entirely by hand. The refinement of leaves and grapes Enhances malachite wonderfully expressive.
