

Saltworks Quartet

380 EUR

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Length : 7cm

Width : 7cm

Height : 10cm

Description

Conjugation of four salt cellars where the light passes through the molded glass and plays with the rounded base; The square terrace rests on four symmetrical tracery legs. The hallmarks, three in number, are well punched. A few marks of use in the glass and a few moments of polishing await you..... for more shine.
