Description

Pair of Regency style caned armchairs from the end of the 19th century. Iconic model of the Regency style, these armchairs have curved cross-shaped legs. It's armchairs are nicely animated and full of dynamism. Both the seat and the backrest are caned. These armchairs have been repainted in a gray white with gray highlights and a gold highlight to further highlight the moldings. A custom-made cushion upholstered in dark gray velvet sits on the seat. Great decorative potential. My seat height is 45cm.
