Description

Set of 3 miniatures, portraits of women, the largest of which, at the top, is a Merveilleuse in revolutionary colors (tricolors, revolutionary portraits are very rare...) at the bottom right in "gaul" according to the fashion inspired by Queen Marie -Antoinette and bottom right in Directoire outfit...is this the same model from different periods? These miniatures on ivory have their 18th century glass, the mounting in this magnifying glass frame is 19th century.
