Louis XVI Torchere Circa 1800

600 EUR

Period : 19th century

Condition : Très bon état

Material : Painted wood

Height : 164 cm

Description

Large and beautiful torchiere in red and gilded lacquered wood, Louis XVI style from the beginning of the 19th century, decorated with rosettes, garlands, olive branches, and topped with a bowl of fruit. This room may have been electrified at one time, hence the absence of a cup or tray to hold a candle or a girandole. Some losses and wear, but overall in good condition in its original patina. Height: 164cm
