

## Louis XVI Torchere Circa 1800

600 EUR

Period : 19th century

Condition : Très bon état

Material : Painted wood

Height : 164 cm

### Description

Large and beautiful torchiere in red and gilded lacquered wood, Louis XVI style from the beginning of the 19th century, decorated with rosettes, garlands, olive branches, and topped with a bowl of fruit. This room may have been electrified at one time, hence the absence of a cup or tray to hold a candle or a girandole. Some losses and wear, but overall in good condition in its original patina. Height: 164cm
