Description

Oil painting on canvas signed and dated lower left COULOT 1954 (Painter of the School of Paris Jean Coulot 1928-2010) and titled on the back "Du Soleil dans les Arbres" and located 22 rue Visconti Paris VIe. Beautiful Cubist composition forming a geometric abstraction set against a madder red background animated with patterns in Calder's sculptural taste. The work is presented in its original brushed aluminum frame. Dimensions: 62 cm His first master was Édouard Pignon (1905-1993) whose influence is felt even in his Oiseaux. He held his first exhibition in 1961. His works are composed of subtly interlocking geometric shapes, his piercing gaze and his incisive drawing lead him to rid his subjects of all accessories, the shapes he paints thus reduced to the essential are also eloquent
