Description

Here is a pretty 19th century tray in embossed metal, probably copper, with a pretty black patina. It represents Catherine de Medici in 1601 in a medallion. As for the condition, note some classic wear and friction, it however remains in a presentable general condition. Our numerous photos allow you to appreciate the quality of this tray. For the condition, please detail the photos. Feel free to zoom in. The photos are an integral part of the description. Dimensions: Maximum diameter: 58.5 cm Internal diameter: 30 cm E: L5745
