

Old Retro Kunzite Ring

6 200 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Retro ring decorated on its top with 4 large flat claws of a step-cut kunzite. On either side, the start of the ring is decorated with motifs such as ribbons, centered with a white gold link. The frame is openwork on the sides. Period: 20th century
Main material: yellow gold, 750 thousandths, 18 carats, eagle head and rhinoceros head hallmarks. Total weight of the kunzite: approximately 11.29 carats. Proportions: Height: approximately 13.5 mm, width: approximately 11.2 mm, thickness: approximately 8.6 mm, width of the ring at the base: approximately 2 mm. Net weight: approximately 6g. Old jewelry - French work from the 1950s. Our opinion: The kunzite set on this old vintage is an intense and luminous purple pink. Possible size adjustment, contact us.
