Description

Set of six rustic chairs of very good quality, handcrafted in blond oak turned and shaped by artisan chair makers from Picardy, formerly called chair carpenters.

They are very robust although very light.

The turning is elegant and discreet, the three backrest bars are scrolled.

The legs are connected by four times two bars: the chairs do not move.

The mulch, made of natural straw, is original and in good condition as it is still well protected.

Good condition, on two chairs, an upper bar has been glued back without affecting the solidity.

Around 1950 artisans from Vimeu (Picardie) seat height 44 cm and total 94 cm
