1 230 EUR

Period : 18th century

Condition : Etat d'usage

Material : Gilted wood

Height : 80 cm

Description

Pair of spectacular gilded wood elements with a height of 80 cm, decorated with grapes and ears of wheat. It is a work from the South of France from the mid-18th century. The sculpture is of high quality; the execution of an openwork wood always requires a lot of dexterity. The gilding is original with gaps and wear. Note, for completeness, the absence of an ear of wheat and a leaf (visible in the photos) Old reinforcements on the back Period mid-18th century Delivery costs payable by the buyer
