Description

Extremely rare Carnelian falcon cut from the mass Coming from a private collection including a set of 6 pieces in total, sold separately Since Antiquity, Carnelian has been used for its many benefits and the beauty of its color. The first traces of its existence date back to 2700 BC. It was in the tomb of a queen in Mesopotamia that Carnelians were first found. Orange-red stones decorated an ornamental headdress. In the past, Carnelian was used in jewelry and royal decorative objects, to bring prosperity to people of high rank. She is also appreciated in the field of art. There are magnificent Carnelian objects at the Musée de l'Armée des Invalides for example. A true lucky charm, Carnelian protects the entire house and members of the family. It helps maintain a gentle and serene atmosphere within

the home. It also facilitates understanding between people. This stone gives courage to introverts who do not dare to impose themselves. It is the perfect ally for people who want to concentrate on their work without having their mind constantly wandering. Carnelian is a stone to carry with you when working, because it stimulates creativity and concentration.
