Height : 16,5 cm

Depth : 10 cm

Description

The lesson in seduction from the art deco period. The gentleman is rejected, but does the courtesan not mind? The position of the bodies, the gesture of the hands, and even the costumes invite us to romanticism. The tones and relief of the clothes offer realism, the bronze bases support their postures. The onyx base is typical of this period. The whole gives a fine refined scene. Possible delivery not included in the price
