Description

Superb very large boat daybed in solid carved mahogany from the Louis Philippe period. It is made up of two backs carved with flowers and acanthus joined by a richly molded and carved crosspiece. Pretty snail feet complete this seat. The rear crossbar is covered in fabric. The upholstery was completely redone a few years ago, the floral canvas fabric is in very good condition (two small stains blending in with the whole), and two boudin cushions come in addition for adequate rest. Furniture with large dimensions, very good comfort and high decorative potential. Louis Philippe period around 1840. Delivery in large wooden crate on pallet by carrier in the DRC to your home, 300 euros in France, 1000 euros in the EU and 3000 euros rest of the world.
