

Paris Porcelain Lamp "the Education Of Cupid"

180 EUR

Period : 20th century

Condition : Très bon état

Material : Porcelain

Width : 13cm

Height : 39cm

Description

Paris porcelain lamp on gilded bronze frame.
Square base in chiseled gilded bronze, topped with an ovoid body in Paris porcelain, cobalt blue background enhanced with fine gold interlacing.
A scene painted in the style of the 18th century representing the education of Cupid by Venus, the collar ends with 3 lobes. The gilded bronze frame serving as a lampshade is pear-shaped and is decorated with 2 pine cones. The porcelain has no defects, the gilding is in very good condition!
Electrification is functional.
