Description

Very pretty painting by Claude Bernard, Charentais painter from the 20th century, very popular in his region, here seaside scene, child and mother in the waves. Superbly brushed in an interesting painterly technique. Magnificent colors! Generous pastry! Signed lower right . (sketch of another painting on the back of the panel) format 41 x33 cm without frame! Visually very nice and very decorative painting! In very good shape ! Do not miss !
