

Painted Coat Of Coat Countal Crown Heraldic Count 19th Aristocracy

860 EUR

Period : 19th century

Condition : Très bon état

Material : Oil painting on wood

Description

Oil on panel representing coats of arms in a carved wooden frame from the same period. Very beautiful work from the mid-19th century. Very good condition but I think that the count's crown on the frame is missing. 75 x 55 cm Shipping to France 20 euros
