Depth : 3,4 centimètres

Description

A pair of solid silver egg cups Controlled by the old man (the hallmark represents an old woman) this hallmark is at this time for manufacture in the provinces At 1 and title (I.e. 950/1000) With pretty flower friezes, Square base (usually they are round) In good condition (small deformations and on each an open weld...) but again nothing serious A goldsmith can intervene if necessary... But for me it is better to leave them in their juice. Note that the pair of egg cups are rare, even more so these are with old hallmarks... The goldsmith "FGI" is currently unknown Weight...90 gr
