### Description

Pretty and interesting enameled and cloisonné glass vase by Julius Muhlhaus at the Haida glassworks. Beautiful colors with this gold cloisonné floral decoration on a royal blue background. Elegant shape with pedestal, central bulb and long flared neck, all also enhanced with gold. These vases are clearly referenced (see last photo of a piece with the same decor) and typical of the art-nouveau period in Bohemia. Large model for this type of room, 25 cm high and 14 cm in diameter. Made around 1915. A beautiful collector's item.
