## Description

Oil on canvas framed by a black solid wood frame. Signature lower right: Eu. th. ...Iras...it's very difficult to decipher the first letters, after that it ends with ...sielen or sellen -93
The painting is in good condition as is its beautiful frame.
Very good quality painting by a great late 19th century painter.

Magnificent rural landscape where a beautiful summer light shines; the shepherdess with her flock of sheep.
The composition is surprising, it is cut in two between the very clear sky and the landscape with beautiful colors.

Canvas size: 75 x 45 cm
