Description

Graphite drawing on varnished paper. Beautiful view of the port of Golfe Juan. Drawing located, signed and dated upper right. Drawing made by Alex Jorio in the mid-20th century. Quality artist, decorator and designer specializing in landscapes and buildings. He practiced his profession at the Ermitage de Mougins in the Alpes Maritimes. He also crisscrossed the French Riviera, radiating around Cannes, leaving us a very interesting testimony of views that have now disappeared. Please note: this drawing is in very good general condition. Modern black metal frame. Please look carefully at the photos. Other drawings by the same artist will gradually be put on sale in our gallery.
