Description

Beautiful and old photograph by Giuseppe Ninci representing the Colosseum in Rome. The particularity of this one is its condition, almost perfect, only one small foxing observed, the other small observable points are fixed under the glass that I have not dismantled. The photograph is accompanied by its magnificent frame and its bubbled glass, for more than 150 years. Dry stamp of the artist at the bottom center. Dimensions of the photograph alone: 38 x 27.5 cm approx. Fast and careful shipping. Payment preference by check or bank transfer.
