Description

Magnificent solid silver bracelet designed by the Danish Nanna Ditzel and produced by the famous Danish goldsmith Georg Jensen. With its sober and clean lines, this bracelet is typical of Scandinavian design from the period of the 50s and 60s. Very good condition, perhaps a slight polishing to be expected (personally, I prefer them with their patina and their experience). Hallmarks: GEORG JENSEN - STERLING DENMARK - 106 and 2 weevils + 1 weevil at the clasp. Weight: 67.8g.
