

Combiwood Stackable Dishes By Palle Pedersen For Lundtofte, Denmark, 1960

850 EUR

Signature : PALLE PEDERSEN

Period : 20th century

Condition : Très bon état

Material : Solid wood

Diameter : 26 cm

Height : 35 cm

Description

Set of 3 dishes and a stackable serving tray in solid teak with handles and stainless steel interiors by designer Palle Pedersen created in 1960. Edited and hot stamped COMBIWOOD LUNDTOFTE DENMARK under each wooden piece, paper label present and steel interiors are also marked. Minimalist, modernist design, very good manufacturing quality.

In excellent condition, no signs of use, note a split in the wood on the top plate, visible in the photos.

Delivery possible, quote on request
