

Still Life "yellow Fruits" 19th Century

750 EUR

Signature : Chaussier Marie (XIXe -XXe)

Period : 19th century

Condition : Très bon état

Material : Oil painting

Length : cadre 89/ toile 73 cm

Height : cadre 70/ toile 54cm

Description

Still life of beautiful dimensions 73/54cm. Oil on canvas representing a basket placed on the ground containing apples and pears. On the left, a melon with its branches. The background is composed of a landscape and vegetation. Artist's signature lower left. Presented in its original gilded frame with frieze patterns. Original chassis not re-covered. This painting is the counterpart of a second on the theme of red fruits forming a pair of identical dimensions. (visible on Proantic)
