Description

This cardboard box, narrow and high, has nine flaps on the front covered in light brown cowhide leather. They open using brass buttons, on offset pivots, offering nine identical niches. The uprights are chamfered. The base is made up of a molded relief plinth on the front and on the returns. It rests on sabot feet at the front and straight feet at the back. The upper part of this piece of furniture includes a transom with molding topped with a double evolution cornice. Ideal for filing documents in particular, this tall cardboard box will easily find its place in your office or living space. ******** Period: 1920 Excellent condition. Cowhide leather drawer fronts redone. Waxed finish. Additional photos available on request: https://www.antiquites-lecomte.com/boutique/se
