Description

Large limestone statue of a Bishop. He is represented without a miter, perhaps he held it in his hands? they are missing. Beautiful facial expression. The garment is very well sculpted, there is some original polychromy remaining on the back. 16th century period. The base also having some gaps, a reconstituted stone base was made, so that it would stand up on its own. dimension of the base: 11 x 13 cm at the base.
