cushions are particularly popular for highlighting a room by adding an artistic and elegant touch. To guarantee you pleasant comfort. If you like art representing the floral world, you will find exceptional pieces. The woven flowers are very elegant, these cushions will bring a refined touch to the room and the furniture on which they are placed. The raw materials used in the weaving of our cushions are pieces of tapestry from the 16th to the 20th century, fabric, kilim and velvet.
