### Description

Hello, I am offering you this very beautiful table, this sideboard or tea table is characterized by its crotch tray with retractable flaps. Its leaves located on each side of the table allow you to hold dishes or provide additional surface area once lowered. This table is transformed with a raise and lower mechanism that raises the interior plate and allows it to reach the level of the table top. This table is made of solid mahogany with marquetry fillets, dates from the end of the 19th century and is in the Directoire style. This tea table is a system, the central tray rises when the upper tray is opened. to form only one plate at the end. it is configured with 4 windows around and on the top. The system is activated by arms in solid and gold brass and opening with hinges in gold brass as well. The top tiles are beveled, the
