

## Whole Violin 4/4

850 EUR

Period : 20th century

Condition : Très bon état

Material : Other

Length : 36 cm

Description
-------------

We are selling this lovely whole violin which is just 36 cm. The back is in one part, a pretty head for our taste, it is in very good general condition. It bears no name and has no label. Beautiful varnish, it may have an iron mark on the inside, we could not check this because we could not remove the button on the back to light the interior and see the bottom. (E23)
