Description

Very large and rare desk in satin, amaranth, mahogany and stained maple marquetry. This desk has a rich ornamentation of gilded bronzes as well as an ingot mold. Two side zippers enlarge the work surface for the files. There are five drawers on the front which have their original keys. Furniture of very careful construction entirely mounted on oak and of a rare quality of marquetry with its curved sides decorated with marquetry of native woods. It is of course double-sided for ornamentation. Rare desk model. DIMENSIONS: 1.90MX 0.87M AND 0.77M HEIGHT SIDE PULLS 0.45M DELIVERY ON QUOTE
