Bruges 8000

our mysterious painter Frans Sant-Acker, who must have worked in 's Hertogenbosch (Bois-le-Duc) circa 1648 - 1688: an interior scene and two still-lives (including ours), that betray the influence of one of the most important Dutch still life painters, Willem Kalf. Kalf specialised in Amsterdam in these rich, ornate "Pronk" still lifes.

All my paintings stand fully documented on my website:
