Description

Exceptional table service in fine earthenware from Bordeaux, Nella decor with Japanese patterns of birds and flowers different on each piece Polychrome hand-painted decorations of extreme finesse with very shimmering colors Very harmonious composition with trendy birds such as parrots , kingfishers and also different insects: butterflies, dragonflies, ladybugs... Very delicate flowers of water lilies, lotus, carnations, anemones, prunus, dahlias, roses and irises.... White background highlighted with a cobalt blue line The all in very good condition Service created by the Bordeaux manufacturer Vieillard & Cie in the 1870s in a harmonious style recalling both the naturalist porcelains of the 18th century and the inspirations of Japonism. The Vieillard & Cie factory is recognized worldwide
