Description

Important tray from the Rajasthan, India, from the end of the 19th century, 1860 - 1880 in thick and heavy brass, engraved with a burin with fine decorations of 22 niches, rosettes, in three repeated friezes, decoration of foliage and flowers. The tray is essential to Moghol & Arab culture, it is present everywhere, which is why I like to find beautiful old ones and offer them. In good condition, normal wear and beautiful patina for its good age. This type of tray has nothing to do with today's objects in fine yellow copper, stamped under press and hastily engraved. Sizes : Diameter : 67 cm (26") for a depth of 6.5 cm (2,5") , weight: 3450 gr
