

## Pair Of Oval Miniatures

450 EUR

Period : 19th century

Condition : Très bon état

Material : Other

Width : 6,8 cm

Height : 8 cm

### Description

We present this pair of pretty miniatures in their original 19th century frames. It could be stills under glass, it was bought in the auction room and it was announced as such. They are undoubtedly from the 19th century and on the back of one you will see markings which are certainly the initials of the two characters. (E23)
