Description

CD5 Félix Ziem (1821-1911): "Riverside", pen, bistre and sepia wash on beige paper 9 Ziem sale stamp at the bottom right bearing the number 2803. The stains that can be seen are dirt on the inside of the glass, the drawing is intact. As subtle a designer as he is a brilliant colorist in his paintings, Ziem gives us here an impression of the motif, quickly and brilliantly executed. This set of drawings and watercolors comes from the same collection, obviously all chosen with taste and framed with care and demonstrate a discernment that is as eclectic as it is qualitative. Do not hesitate to ask us for photos or additional information by email or telephone. Other photos and many other objects in our stores in Pau and Biarritz and on our site: galerielhoste.com.
