Princess Diamond Ring With Round Stones, 18kt White Gold

4 500 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Description

"Discover the sublime elegance of our 1.08ct F-SI1 Princess Diamond Ring, a perfect fusion of sophistication and exceptional quality. The center diamond, crystal clear and dazzling in color, is beautifully framed by a setting in 18-carat White Gold. The sides of the ring, adorned with delicate round stones, add a subtle touch of sparkle. An exceptional piece of jewelry for timeless elegance."
