

Large Chandelier With 8 Branches In Gilt Bronze And Louis XVI Style Crystals,

3 900 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Width : 60 cm

Height : 120 cm (hors chaine)

Description

Large chandelier with 8 branches in gilded bronze and Louis XVI style crystals, circa 1900. Very beautiful crystals adorn the cage which has retained its beautiful gilding. Lighting inside the cage provided by 4 lights completes the display of the crystals. Electrical installation redone. Chandelier ready to install. Note, a small loss on a glass element covering the central column (very barely visible) and a small chip on a crystal plate. Period: early 20th century Dim: H: 120 - W: 60
