Description

Pair of two-light candelabra, in black patina bronze representing two women draped in antique style holding the arms of light (in gilded bronze) with one hand decorated with foliage and eagle's head, cylindrical base in white Carrara marble , from the 18th century. These candelabras are in good condition and are of high quality. They were reassembled in the 19th century, the silver metal part (between the women and the marble) is not original. Note: slight play in the thread of an arm of light, some wear and scratches on the black patina of the women, some small accidents and micro-chips on the marble (see last photo), wear and tear over time, take a good look at the Pictures. Height: approx. 50 cm Width: at the arms 18.5 cm Base: 7.1 cm x 7.2 cm Reference: 300 219 All photos are on:
