### Description

A terracotta vase Fairly white earth From the 1960s/70s (without being perfectly sure...!) In good condition, some wear and tear... Signed, I read MARIR there too without certainty For me an AFRICAN provenance ... Do I perhaps have some information...? It's quite atypical, personally I like this kind of slightly crazy creation (like Dali and Picasso) It's a kind of queen, where we can see a breast and a few fingers Weight...1 kilo 162 gr
