Description

Quick description

Old and imposing merlin taxidermy, fishing trophy circa 1920.

Was used as a sign in an estaminet in the north of France.

Beautifully crafted taxidermy, formerly presented on an oak escutcheon wrapped in rope.

Good state of conservation for a piece of this type and from this period.

Slightly worn, absolutely wonderful patina.

Dimensions

100cm in length, 65cm in width and 85cm in height.
