### Description

BOUCHERON long necklace - Jack Collection.  
Current collection, sold for around EUR21,400 in store.

Modular jewelry created by BOUCHERON. This necklace can also be worn as a long necklace, as a double-turn necklace or even as a 6-turn bracelet.

18-karat yellow gold jewelry with a magnetic clip-on clasp set with 140 round white diamonds for a total of approximately 1.76 carats. Chain length 102 cm once the clasp is closed. With an impressive Boucheron presentation box, we also have the outer box. The case is particularly imposing (at the height of this exceptional piece) and weighs approximately 2 kg. Outer box and box may show some slight signs of use.

Presentation of the Jack range by Boucheron:

"Playful, spontaneous, cheeky, the Jack collection

opens a new chapter in the history of Maison Boucheron by reinventing the way jewelry is worn. Its gold wire sealed by an ultra-graphic clasp conceals a secret connection inspired by jack cables, which allows it to be constantly renewed. It is presented here in its six-turn version in yellow gold and set with diamonds."
