Description

Here is a pretty, witty caricature, it is signed Abel Moranas. We see an artist at work, with this phrase "But yes... art feeds its man!". Everything is colorful. It's a dive into France in the 1940s in the Parisian artistic world. We point out stains and yellowed parts in the margin and on the drawing. The work does not have protective glass. Our photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Do not hesitate to zoom in. The photos are an integral part of the description.
