Description

Golden Napoleon III style armchairs 19th century in 1870 upholstered on the seat, back and armrests, with rectangular backs and trapezoidal seats, wavy at the front and at the top, supported by four front legs in the shape of balusters, ending with castors, angular rear legs, folded backwards. The side frames of the armchair are in the shape of balusters. The upper frames of the backrest are profiled, ending in palm-shaped pinnacles on the sides, with a fleuron raised in the middle and concave on the sides, decorated with leaves with a cartouche in the center. In places where the cubes connect to the joints. Wavy armrests of the seats, supported by similar supports. Furniture made in the Napoleon III style, with a shape typical of this period and decorative elements borrowed from several
