Description

Digestive service, in Bohemian crystal, composed of ten small glasses on foot and three carafes. Each glass is delicately carved with faceted decorations on the body and interlacing on the stem. The decanters have similar designs and are topped with crystal swirl stoppers. This set is offered on a circular tray, in sheet metal, topped with a top handle, also in crystal, mounted on a turned baluster element highlighted by a brass ring decorated with palmettes in a frieze. This tray rests on four brass feet. This digestive service will accompany you during your convivial moments with your family or friends. ******** Period: 2nd Part 19th Excellent condition. Service of 10 glasses and 3 carafes. Additional photos available by clicking on the following link: https://www.antiquites-lecomte.com/boutique/bar
